# TOOL SETS

When it comes to the future, everyone envisions it their own way.

## HOW DO YOU RECOGNISE A REAL EXPERT?

*By their distinctive tools: Choose yours!*

Sets of typical field-related tools simplify the selection and purchase of specific instruments you need and use in your work. Electricians, auto mechanics, vehicle painters, computer technicians and many other professionals trust the experience of Unior.

The composition of the various sets is based on a continuous cooperation with local professional users of Unior tools. The ready sets take into account the requirements of individual fields of activity and represent quality, sensible and cost-attractive tool selection.

The sets containing various types of wrenches, pliers, screwdrivers, files, hammers, punches, chisels and other tools make for an excellent pick for top-notch, expert craftsmen and the right choice for beginners.
